

WHITTINGTON PARISH COUNCIL

Grant Awarding Policy

The Council is an active supporter of the community it serves and sets a budget each financial year to enable it to make grants to assist local groups and organisations.

Who may apply?

- (a) Local Clubs / Societies / Groups / Voluntary or Charitable Groups
- (b) Regional/National Charitable Bodies providing a service, which may benefit the local community.

How to apply

All applications should be made using the attached application form. Applications for small amounts (unlikely to exceed £100) should be submitted by a responsible member of the organisation and sent to the Parish Clerk for consideration by the Council.

Major Grants

The Council may make major grants to Parish clubs, societies or charities to help with the cost of clearly defined development projects. These grants will not normally exceed £500.00 (the max grant that can be applied for is £1000.00). A member of the organisation may be asked to attend a Council meeting to discuss the application. The Council will reserve the right to monitor the project to ensure that the grant is used in accordance with the application.

An application for a major grant must be made in writing by a responsible member of the organisation and sent to the Parish Clerk, including with the application, a copy of the most recent audited accounts and full details of the project and any relevant quotations.

When to apply

Applications can be submitted from 1st November until 31st December and will be considered once a year at the January meeting. Only in exceptional circumstances will applications be considered outside of this timeframe. Any organisation wanting a grant to be made payable in April (the start of the new financial year), should apply by 31st December and the council will consider the Grant in January when setting the budget and where applicable, agree for payment to be made in April, out of the next financial year.

Conditions of the Grant

The grant must be used for the purpose for which the application was made and written proof to the Council must be made within one year of the grant being awarded.
